Creating a Client Quote from an existing Quote

VELUX Dealer Extranet 3 includes a tool you can use to create a quotation for your clients customizable with your company logo and including client discounts and delivery charges. Please refer to the **Account Information Guide** for more information on uploading your logo.

You can create a quote for a client in 3 ways.

If you already have a quote with discount (created by VELUX or yourself) you can use this to create a Client Quote. To do this, view the quote by clicking on **Quotes** in the Your Account section of the Home Page.

The screenshot shows the VELUX Dealer Extranet 3 interface. At the top, there are navigation tabs for 'WINDOWS', 'FLASHING', 'BLINDS', 'SUN TUNNEL', 'FLAT ROOF', 'SMOKE VENTILATION', and 'INS'. Below these is a 'Your Account' section with a list of options: 'Orders', 'Invoices', 'Account Info', 'Quotes', and 'Client Quotes'. The 'Quotes' option is highlighted with a red box. To the right is a 'Tools' section with 'Quick Order', 'Upload Order', 'Client Quote Tool', and 'Favorites'. Below the 'Your Account' section is a 'Quote history (3 out of 3)' table with the following data:

Quote date	Expiration date	Quote number	Quote reference
16/08/2016	15/09/2016	0022349065	Town House

A red arrow points from the 'Quotes' option to the 'Quote history' table. Another red arrow points from the table to a blue button labeled 'Create client quote'.

Creating a Client Quote using the configurator

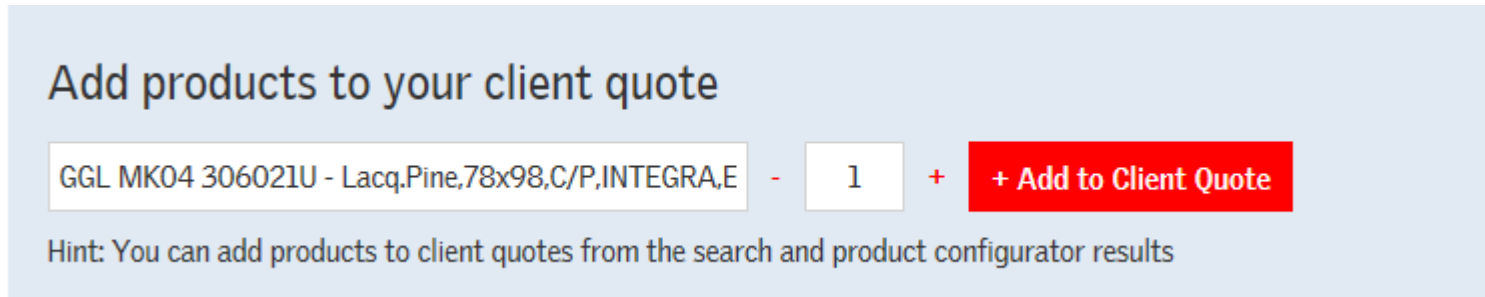

You can also create a Client Quote from scratch.

If you know the product codes you require simply click on the Client Quote Tool in the Tools section of the Home Page.

Type in the code of the product(s) you wish to quote for, add the quantity and click Add to Client Quote

Once all the items have been added you can customize the quote with discounts, shipping charges etc. as shown in the preceding pages.

Creating a Client Quote using the configurator

If you do not know the product codes you require, you can use the configurator to find them.

Simply start by clicking on the type of product you require from the ribbon at the top of the home page.

For example, if you want to order a Single Tile MK04 Flashing, click on Flashing at the top of the screen, then select the appropriate flashing.

Creating a Client Quote using the configurator

You can now select the type of flashing and/or window size to narrow down the list of products until the item you require can be seen below. Enter the quantity you require and click +Client quote.
