Even your dog will love it...
introducing VELUX SUN TUNNEL 2.0

- New look
- Edge Glow
- Easier to install
- Easier to clean
- Improved BAL rating

NEW
Available from June 2015
**SUN TUNNEL 2.0 at a glance**

- Easy installation on roofs with pitches from 15° to 60°
- Toughened glass – no scratching, discolouring or leaking. Rated to Bushfire Attack Level 29 (TWR only, roof pitch 18° to 60°)
- Twin diffuser blocks out heat and is easy to clean. Just unscrew it like a bottle cap...
- New top collar and removable sash – you can install from the roof
- New Flexi Loc™ system for easy installation
- New look Edge Glow – a better looking, more dynamic light
- Floods up to 9m² in natural light

**MUCH IMPROVED...same price**

- Improved BAL rating
  - VELUX Rigid Sun Tunnel has passed the tough Bushfire Attack Level 29 (BAL 29) test (roof pitch 18° to 60°).
- Easier to install
  - With the new removable window sash you can install VELUX Sun Tunnel from the outside. No need to enter the attic.
- Easier to clean
  - Dirt in the diffuser? Just unscrew it from the inside like a bottle cap. When clean, screw it back on. Easy as...

Please note: Light transmittance of VELUX Sun Tunnels depends on parameters such as sky conditions (cloudy/sunny), direction of sun light, orientation and length of Sun Tunnel. VELUX Sun Tunnel on this chart has been tested with a 1 metre shaft, on a 20° roof pitch in summer, at noon on a sunny day using a photometer (TWR rigid tunnel emits 440 lumens when measured on a cloudy winter’s day).

² The graph features 60% of total lumen value for these light sources – allowing for light absorption when mounted in a lamp or fixture. Lumen values represent an average for Australian manufactured products.

² Data source: VELUX Daylight Laboratory – Greenwood, South Carolina, USA.
Product information

VELUX Rigid Sun Tunnel (TWR 0K14)

- Maximum tunnel length 6m
- New Flexi Loc™ quick assembly system
- Bushfire tested (BAL 29) for roof pitches 18° to 60°
- 3 times more light than VELUX Flexible Sun Tunnel
- Price $330 incl. GST

VELUX Flexible Sun Tunnel (TWF 0K14)

- Maximum tunnel length 2.2m
- Same toughened glass as VELUX Rigid Sun Tunnel
- Same twin diffuser as VELUX Rigid Sun Tunnel
- 2.5 times more light than a 100W bulb (see chart inside)
- Price $549 incl. GST

VELUX Sun Tunnels are ideal for hallways, walk-in robes, pantries, toilets and other small areas without natural light. For kitchens, living areas, bedrooms and bathrooms we recommend VELUX skylights.
